

## Brief CV

Name/中文姓名	Youcheng Liang/梁有程	Gender	male	
Title (Pro./Dr.)	Associate professor	Country	china	
University/Department	Guangzhou Civil Aviation College			
Research Area	Optical Communication			
<b>Brief introduction of your research experience:</b>				
<ol style="list-style-type: none"><li>1. Youcheng Liang, Haitao Chen, Analyzing of WDM Optical Transmission System Performance Based on interleaved OFDM Technology, Infrared and Laser Engineering, 2015.2</li><li>2. Youcheng Liang, Haitao Chen, Design of optical fiber linear filter basing on optical film interference, materials research innovations, 2015.5</li><li>3. Youcheng Liang, Haitao Chen, Analysis of temperature characteristics of optical thin film interleaves, IEEE IAEAC2018, 2018, 10</li><li>4. Youcheng Liang, Haitao Chen, Analysis of packet switching technology in civil aviation data transmission network, iccasit2019, 2019.10</li></ol>
